

Faculties:

- I. Faculty of Chemistry
- II. Faculty of Economics
- III. Faculty of Philology
- IV. Faculty of Medicine
- V. Faculty of Mathematics, Physics and Computer Science
- VI. Faculty of Political Science and Social Communication
- VII. Faculty of Health Sciences
- VIII. Faculty of Social Sciences
- IX. Faculty of Law and Administration
- X. Faculty of Natural Sciences and Technology
- XI. Faculty of Art
- XII. Faculty of Theology

**Terms of admission of candidates to the first year of studies
in the academic year 2022/2023 and the scope of entrance examinations**

I. FACULTY OF CHEMISTRY

Study programmes:

- 1. Chemistry**
- 2. Pharmacy**

1. CHEMISTRY

1.1. CHEMISTRY (full-time, first-cycle programme)

1.2. CHEMISTRY (full-time, second-cycle, full-time programme)

2. PHARMACY (long-cycle programme)

1.1 CHEMISTRY - first-cycle programme

The minimum score being the basis for admission to the studies, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	elective subject*	written	basic level	0.75
			advanced level	1

A candidate chooses a grade from one level only

* Elective subject: chemistry, mathematics, physics or biology

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
-----	---------	-------	--------

¹ As amended by Section (1)(2) of Resolution No. 166/2020-2024 of the Senate of the University of Opole of 31 March 2022 on the amendment and announcement of the uniform text of Resolution No. 124/2020-2024 of the Senate of the University of Opole of 29 June 2021 on the rules for admissions to degree programmes at the University of Opole in the academic year 2022/2023.

1	elective subject**	written part	1
		end-of-the-year grade*	0.5

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

** Elective subject: chemistry, mathematics, physics or biology

1.2 CHEMISTRY - second-cycle programme

Admission requirements: competitive admission based on diploma grades

Graduates of the following first-cycle programmes can apply for admission to this programme: chemistry, chemical technology, chemical and process engineering, biotechnology, and environmental protection.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

2. PHARMACY - long-cycle, 5.5-year programme with practical profile,

Admission requirements: competitive admission based on certificate grades/scores

The minimum score being the basis for admission to the studies, obtained with use of the table below, is 60 points.

No.	Baccalaureate		Weight
	SUBJECT	% POINTS	
1	chemistry*	advanced level	1
2	biology or physics *	advanced level	1

*Results of the school-leaving certificate ('New' Baccalaureate) or IB certificate calculated according to Appendix 4 to the Admission Resolution, an entrance exam or a certificate from the District Examination Board (OKE) confirming the results of the baccalaureate examinations in chemistry, biology or physics.

II. FACULTY OF ECONOMICS

Study programmes:

1. **Economics**
2. **Finance and Accounting**
3. **Spatial Management**
4. **Logistics**
5. **Management**

1.1. **ECONOMICS** (full-time first-cycle programme)

2.1. **FINANCE AND ACCOUNTING** (full-time and part-time first-cycle programme)

3.1. **SPATIAL MANAGEMENT** (full-time first-cycle, 3.5-year engineering programme)

4. **LOGISTICS** (full-time first-cycle programme)

5.1 **MANAGEMENT** (full-time first cycle programme)

First-cycle programmes

Admission requirements: competitive admission based on certificate grades/scores

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	mathematics	written	basic level	0.30
			advanced level	0.40
2	foreign language	written	basic level	0.15
			advanced level	0.20
3	elective subject*		basic level	0.30
			advanced level	0.40

A candidate chooses a grade from one level only

* Elective subject: history, knowledge about society, or Polish

Note! Candidates for International Business, which is conducted in English, attach a certificate of English language proficiency at level B2.

CANDIDATES WITH "OLD" BACCALAUREATE

No.	Subject	Grade	Weight
1	mathematics	written part	0.40
		end-of-the-year grade*	0.20
2	foreign language	written part	0.20
		end-of-the-year grade*	0.10
3	elective subject**	written part	0.40
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

** elective subject: history, knowledge about society, or geography, and Polish

Note! Candidates for International Business, which is conducted in English, attach a certificate of English language proficiency at level B2.

Second-cycle programmes

3.2. SPATIAL MANAGEMENT (full-time second cycle programme)

Admission requirements: competitive admission based on diploma grades

The programme is open to graduates of the following first-cycle studies: Tourism and Leisure, Geography, Architecture, Landscape Architecture, Geodesy and Cartography, Geoinformation, Spatial Planning, Urban and Spatial Planning

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

1.2. ECONOMICS (full-time second-cycle programme)

2.2 FINANCE AND ACCOUNTING (full-time and part-time second-cycle programme)

5.2. MANAGEMENT (full-time second-cycle programme)

Admission requirements: competitive admission based on diploma grades

The programme is open to graduates of the following first-cycle programmes: Economics, Finance and Accounting, Spatial Management, Computer Science and Econometrics, Logistics, Transport, Mathematics, Tourism and Recreation, Management and Production Engineering, Management, Public Health, and Administration.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

Note! Candidates for Sustainable Development, which is conducted in English, attach a certificate of English language proficiency at level B2.

III. FACULTY OF PHILOLOGY

Study programmes:

1. **Anthropological and Cultural Czech Studies**
2. **Languages in multicultural communication**
3. **Editing**
4. **English in Public Communication**
5. **English Philology - Teacher Training Programme**
6. **English Philology**
7. **Polish Philology**
8. **French Philology for Beginners**
9. **Game Studies**
10. **Germanistik**
11. **English for Tourism**
12. **Foreign Languages for Business**
13. **Polish for Beginners with German (first-cycle programme)**
14. **Langue française, institutions européennes et relations internationales**
15. **Applied Linguistics**
16. **Speech Therapy with Polish as a Foreign Language**
17. **Master of Liberal Arts**
18. **Media Cultures**

4. ENGLISH IN PUBLIC COMMUNICATION (full-time first-cycle programme in English)

5. ENGLISH PHILOLOGY – TEACHER TRAINING PROGRAMME (full-time and part time, second cycle programme in English)

6. ENGLISH PHILOLOGY (first-cycle programme – full-time and part-time with academic profile, full-time second-cycle programme with academic profile, full-time first-cycle programme with practical profile; studies in English)

11. ENGLISH FOR TOURISM (full-time first-cycle programme with practical profile)

First-cycle programmes

The minimum score being the basis for admission to the studies, obtained using the table below, is 40 points (for English Philology 50 points)

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	English	written	basic level	0.60
			advanced level	0.80
2	elective subject*	written	basic level	0.15
			advanced level	0.20

A candidate chooses a grade from one level only

* Any subject taken at the *Matura* exam, except for English

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	English	written part:	0.80
2	elective subject**	written part	0.20
		end-of-the-year grade*	0.15

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

** Any subject taken at the Baccalaureate exam, except for English.

Second-cycle programmes

Admission requirements: competitive admission based on diploma grades

The programme is open to first-cycle graduates of language studies with English language skills at level C1.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

10. GERMANISTIK (full-time two-cycle studies)

First-cycle programme

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 40 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	Polish	written	basic level	0.225
			advanced level	0.30
2	German	written	basic level	0.525
			advanced level	0.70

A candidate chooses a grade from one level only

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	German	written part:	0.80
2	elective subject**	written part	0.20
		end-of-the-year grade*	0.15

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Any subject taken at the Baccalaureate exam, except for German

Second-cycle programmes

Admission requirements: competitive admission based on diploma grades

The programme is open to graduates of first cycle language studies with German language skills at level C1.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

14. LANGUE FRANÇAISE, INSTITUTIONS EUROPÉENNES ET RELATIONS INTERNATIONALES (full-time second-cycle programme)

Admission requirements: competitive admission based on diploma grades and averages of all grades obtained in the first degree programme

This programme is open to first-cycle graduates of language studies with French language skills at level C1.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

8. ROMANCE PHILOLOGY FROM THE BASICS (full-time first-cycle studies) The minimum score which is the basis for admission to full-time studies, obtained using the table below, is 40 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	Polish	written	basic level	0.60
			advanced level	0.80
2	foreign language	written	basic level	0.15
			advanced level	0,20

A candidate chooses a grade from one level only

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.80
2	elective subject**	written part	0.20
		end-of-the-year grade*	0.15

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not pass the Baccalaureate written examination in that subject.

**Any subject taken at the Baccalaureate exam, except for Polish

3. EDITING (full-time first-cycle programme)

7. POLISH PHILOLOGY (full-time second-cycle programme)

16. SPEECH THERAPY WITH POLISH AS A FOREIGN LANGUAGE (full-time first-cycle programme)

First-cycle programmes

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 40 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Polish	written	basic level	0.575
			advanced level	0.70
2	elective subject*	written	basic level	0.225
			advanced level	0.30

A candidate chooses a grade from one level only

*Elective subject: Foreign Language, History, Art History, Social Studies, Music History, Dance Studies, Latin and Ancient Culture.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.80
2	elective subject**	written part	0.20
		end-of-the-year grade*	0.15

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Any subject taken at the Baccalaureate exam, except for Polish

Second-cycle programmes

Admission requirements: competitive admission based on certificate grades/scores

The Polish Philology programme is open to graduates of the following first-cycle studies: Polish Philology, Ethnology, Philology, Library and Information Science, Cultural Studies. The Game Studies programme is open to graduates of the following first-cycle programmes: Game Studies, Cultural Studies, Ethnology, Theatre Studies, History of Art, Polish Philology, Philology, Editing.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

13. POLISH LANGUAGE FOR BEGINNERS WITH GERMAN (first-cycle programme)

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 40 points.

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Weight
1	candidate's mother tongue	0.50
2	candidate's foreign language	0.50

15. APPLIED LINGUISTICS (first-cycle full-time programme)

The minimum score being the basis for admission to the full-time programme, obtained using the table below, is 40 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Polish	written	basic level	0.375
			advanced level	0.50
2	English	written	basic level	0.375
			advanced level	0.5

A candidate chooses a grade from one level only

1. ANTHROPOLOGICAL AND CULTURAL CZECH STUDIES (full-time first-cycle programme)

2. LANGUAGES IN MULTICULTURAL COMMUNICATION (full-time first-cycle programme with academic profile)

12. FOREIGN LANGUAGES FOR BUSINESS (full-time first-cycle programme)

First-cycle programme

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 40 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	Polish	written	basic level	0.60
			advanced level	0.80
2	foreign language	written	basic level	0.15
			advanced level	0.20

A candidate chooses a grade from one level only.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.80
2	foreign language	written part	0.20
		end-of-the-year grade*	0.15

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

Second-cycle programmes

17. MASTER OF LIBERAL ARTS (full-time second-cycle programme; studies in English)

Admission requirements: competitive admission based on diploma grades

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

This programme is open to first-cycle graduates with English language skills at level B2.

9. GAME STUDIES (full-time first-cycle- programme)

18. MEDIA CULTURES (full-time first-cycle-programme)

First-cycle programmes

The minimum score being the basis for admission to the full-time programme, obtained using the table below, is 40 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Polish	written	basic level	0.45
			advanced level	0.70
2	English	written	basic level	0.20
			advanced level	0.30

A candidate chooses a grade from one level only

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

ITEM	Subject	Grade	Weight
1	Polish	written part	0.80
2	English	written part:	0.20
		end-of-the-year grade*	0.12

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

IV FACULTY OF MEDICINE

1. Medicine

1. MEDICINE (full- and part-time long-time programme) The minimum score being the basis for admission to the full-time programme, obtained using the table below, is 100 points, and to part-time programme - 60 points. Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate		Weight
	SUBJECT	% Points	
1	biology*	advanced level	1
2	chemistry or physics*	advanced level	1

*Results from the secondary school leaving certificate ("New" Baccalaureate) or IB diploma converted according to the Attachment 4 to the Admission Resolution, or from an entrance exam.

V. FACULTY OF MATHEMATICS, PHYSICS AND COMPUTER SCIENCE

Study programmes:

1. **Physics**
2. **Computer Science**
3. **Mathematics**
4. **Ophthalmic optics with elements of optometry**
5. **Physics and Mathematics - Teacher Training**

First-cycle programmes

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	mathematics, physics or computer science	written	basic level	0.75
			advanced level	1

A candidate chooses a grade from one level only

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	mathematics, physics	written part	1

	or computer science	end-of-the-year grade*	0.50
--	---------------------	------------------------	------

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

Second-cycle programmed

Admission requirements: competitive admission based on certificate grades/scores

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

VI. FACULTY OF POLITICAL SCIENCE AND SOCIAL COMMUNICATION

Study programmes:

1. **Journalism and Social Communication**
2. **Global Studies**
3. **Political Science**
4. **Public Relations**
5. **International Relations**
6. **Public Management**

1. JOURNALISM AND SOCIAL COMMUNICATION (full-time first-cycle programme)

3. POLITICAL SCIENCE (full-time second-cycle programme)

4. PUBLIC RELATIONS (full-time second cycle programme)

5. INTERNATIONAL RELATIONS (full-time second-cycle programme)

6. PUBLIC MANAGEMENT (full-time first-cycle programme with practical profile)

First-cycle programmes

The minimum score being the basis for admission to the full-time programme, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Polish	written	basic level	0.375
			advanced level	0.50
2	elective subject*	written	basic level	0.375
			advanced level	0.50

A candidate chooses a grade from one level only

*Any subject taken at the Baccalaureate exam, except for Polish

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.50
3	elective subject**	written part	0.50
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Any subject taken at the Baccalaureate exam, except for Polish

Second-cycle programmes

Admission requirements: competitive admission based on diploma grades

No.	Qualification unit	Weight
1	Grade on the diploma of completion of first-cycle studies	1

3.2. POLITICAL SCIENCE (full-time, second-cycle programme)

Graduates of the following first-cycle programmes are eligible for admission: Political Science, International Relations, Administration, National Security, Internal Security, Journalism and Social Communication, Economics, Ethnology, European Studies, Philosophy, History, Family Studies, Pedagogy, Social Policy, Social Work, Sociology, Management.

* Only candidates pre-selected by a task team appointed by the Dean of the Faculty of Political Science and Social Communication can be considered for admission to the **Political Science - Europa Master's programme**. These candidates are also required to demonstrate command of English at level B2 and French at level B1.

4.2. PUBLIC RELATIONS (full-time second-cycle programme)

Graduates of the following first-cycle programmes are eligible for admission: Political Science, International Relations, Administration, National Security, Internal Security, Journalism and Social Communication, Economics, Ethnology, European Studies, Philosophy, History, Family Sciences, Pedagogy, Social Policy, Social Work, Sociology, Management.

Graduates with a degree in social sciences or humanities are eligible to apply.

5.2. INTERNATIONAL RELATIONS (full-time, second-cycle programme)

Graduates of the following first-cycle programmes are eligible for admission: Political Science, International Relations, Administration, National Security, Internal Security, Journalism and Social Communication, Economics, Ethnology, European Studies, Philosophy, History, Family Studies, Pedagogy, Social Policy, Social Work, Sociology, Management, Philology.

2. GLOBAL STUDIES (full-time second-cycle programme, conducted in English)

First-cycle programmes

The minimum score being the basis for admission to the full-time programme, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	Subject	Part	% POINTS	
1	English	written	basic level	0.5
			advanced level	0.665
2	Elective subject*	written	basic level	0.25
			advanced level	0.335

A candidate chooses a grade from one level only.

* Any subject taken at the baccalaureate exam, except for English

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	English	written part	0.70
2	Elective subject*	written part	0.30
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

** Any subject taken at the Baccalaureate exam, except for English.

Second-cycle programmes

Admission requirements: competitive admission based on diploma grades

Candidates for Palaeobiology are required to have a verified knowledge of English at level B2 or a positive result of an examination in English

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

Graduates with a degree in social sciences or humanities are eligible to apply.

VII. FACULTY OF HEALTH SCIENCES

Study programmes:

1. **Dietetics**
2. **Physiotherapy**
3. **Cosmetology**
4. **Nursing**
5. **Midwifery**

First-cycle and long-cycle programmes

1. **DIETETICS** (full- and part-time, first-cycle programme)

2. **PHYSIOTHERAPY** (full-time long-cycle programme)

3.1 **COSMETOLOGY** (full-time, first-cycle programme)

4.1 **NURSING** (full-time first-cycle programme)

5.1 **MIDWIFERY** (full-time, first-cycle programme)

The minimum score being the basis for admission to the full-time programme, obtained using the table below, is 30 points.

Winners and finalists of central-level contests in biology, physics or chemistry are admitted first in the academic year 2020/2021.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores; grade average

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	elective subject (A)*	written	basic level	0.25
			advanced level	0.33
2	elective subject (B)*	written	basic level	0.25
			advanced level	0.33
3	elective subject (C)*	written	basic level	0.25
			advanced level	0.33

*Each subject can be selected only once.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores, grade average in percent

No.	Subject	Grade	Results
1	All (n)	Converted into points according to the table in Appendix 4	Σ grades/n

Second-cycle programmes

Admission requirements: competitive admission based on certificate grades/scores

3.2 COSMETOLOGY (full-time, second-cycle programme)

The programme is open to graduates of the following first-cycle programmes:

Cosmetology

4.2 NURSING (full-time, second-cycle programme)

The programme is open to graduates of the following first-cycle studies: Nursing

5.2 MIDWIFERY (full-time second-cycle programme)

The programme is open to graduates of the following first-cycle programme: Midwifery

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

In the case of an equal number of points, the order on the ranking list will be determined by the average of grades obtained during the first cycle studies.

VIII. FACULTY OF SOCIAL SCIENCES

Study programmes:

1. **Philosophical Coaching**
2. **Design and Social Communication**
3. **History**
4. **History and Present 40+**
5. **Musicology**
6. **Pedagogy**
7. **Preschool and Early-school Pedagogy**
8. **Special pedagogy**
9. **Social Work**
10. **Psychology**
11. **Sociology**

1. PHILOSOPHICAL COACHING (full-time first-cycle programme)

First-cycle programmes

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	Polish	written	basic level	0.375
			advanced level	0.50
2	elective subject*	written	basic level	0.375
			advanced level	0.50

A candidate chooses a grade from one level only

*Any subject taken at the Bacculaureate exam, except for Polish

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.50
2	elective subject**	written part	0.50
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Bacculaureate written exam in that subject.

**Any subject taken at the *Matura* exam, except for Polish

3.1. HISTORY (full-time second-cycle programme)

4. HISTORY AND PRESENT 40+ (full-time, first-cycle programme)

First-cycle programmes

The minimum score being the basis for admission to the studies, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Polish	written	basic level	0.375
			advanced level	0.50
2	elective subject*	written	basic level	0.375
			advanced level	0.50

A candidate chooses a grade from one level only

*Any subject taken at the *Matura* exam, except for Polish

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.50
2	elective subject*	written part	0.50
		end-of-year grade**	0.20

*Any subject taken at the Bacculaureate exam, except for Polish

**The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not pass the Bacculaureate written examination in that subject.

3. 2. HISTORY (full-time, second-cycle programme)

Second-cycle programmes

Admission requirements: competitive admission based on diploma grades

Graduates of the following first-cycle programmes can apply for admission to this degree programme: History, History and the Present 40+, Political Science, International Relations, European Studies, History of Art, Philology.

No.	Qualification unit	Weight
1	Grade on the diploma of completion of first-cycle studies	1

5. MUSICOLOGY (full-time, second-cycle programme)

First-cycle programmes

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 50 points.

CANDIDATES WITH "NEW" AND "OLD" BACCALAUREATE

Qualification requirements: interview

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Interview			1

An interview during which the candidate will present a short self-presentation: information about his/her musical interests and qualifications in the field of music (e.g. completed schools, music courses, playing instruments, singing, participation in cultural events, musical activity in churches or other cultural centres, won prizes and distinctions in the field of music or culture in general). Demonstration of skills in playing the piano or organ, verification of general aural aptitude will also be taken into account. If there are candidates who have not studied music in the state education, they should prepare a short speech (about 5 minutes) on a topic of their choice in the field of music.

Second-cycle programmes

Qualification requirements: interview

The programme is open to graduates of the following first-cycle studies: Musicology, Church Music, Music Education, Music Theory

Qualification unit	Weight
Interview	1

An interview, during which a candidate should give a short self-presentation: information on his/her musical interests and qualifications in music.

Musical skills check (the piano programme is tailored to the applicant's level of abilities and is used by the committee only to assess this level).

2. DESIGN AND SOCIAL COMMUNICATION (first-cycle, full-time programme)

6. PEDAGOGY (full- part-time, second-cycle programme)

7. PRESCHOOL AND EARLY SCHOOL PEDAGOGY (full-time and part-time, long-cycle studies)

8. SPECIAL PEDAGOGY (full-time long-cycle programme)

9. SOCIAL WORK (full-time second-cycle programme)

11. SOCIOLOGY (full-time second-cycle programme)

First-cycle and long-cycle programmes

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Polish	written	basic level	0.375
			advanced level	0.50
2	elective subject*	written	basic level	0.375
			advanced level	0.50

A candidate chooses a grade from one level only

*Any subject taken at the Baccalaureate exam, except for Polish

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.50
3	elective subject**	written part	0.50
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Any subject taken at the Baccalaureate exam, except for Polish

Second-cycle (full-time) programmes

6.2.1. PEDAGOGY (full-time second-cycle programme)

The programme is open to graduates of the following first-cycle studies: Pedagogy, Special Pedagogy, Preschool and Early School Education, Social Work

9.2.1. SOCIAL WORK (full-time second-cycle programme)

The programme is open to graduates of all first-cycle and long-cycle programmes.

11.2.1. SOCIOLOGY (full-time, second-cycle programme)

The programme is open to graduates of the following first-cycle programmes: Sociology, Political Science, International Relations, Journalism and Social Communication, Ethnology, European Studies, Pedagogy, Economics, Family Studies, Social Policy, Social Work, Health Promotion, Management, Cultural Studies, and Philology.

Admission requirements: competitive admission based on diploma grades*

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

Sociology, concentration in Intercultural Communication - candidates are required to have a certified command of English at level B2 or a passed examination in English

Second-cycle (part-time) programmes

6.2.2. PEDAGOGY (part-time second-cycle programme)

9.2.2. SOCIAL WORK (part-time second-cycle programme)

The list of first-cycle programmes whose graduates may continue their studies at the second-cycle is the same as for the full-time programme.

Admission requirements: competitive admission based on diploma grades

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

10. PSYCHOLOGY (full-time and part-time, long-cycle studies)

CANDIDATES WITH "NEW" BACCALAUREATE

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 60 points, and part-time study 50 points.

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	Polish	written	basic level	0.375
			advanced level	0.50
2	elective subject*	written	basic level	0.375
			advanced level	0.50

A candidate chooses a grade from one level only

*Any subject taken at the *Matura* exam, except for Polish

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.50
2	elective subject**	written part	0.50
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Any subject taken at the Baccalaureate exam, except for Polish

IX. FACULTY OF LAW AND ADMINISTRATION

Study programmes:

1. **Administration**
2. **Internal Security**
3. **Services for Business**
4. **Law**

- 1.1. **ADMINISTRATION** (full- part-time, second-cycle programme)
- 2.1. **INTERNAL SECURITY** (full- and part-time second-cycle programme)
- 3.1. **SERVICES FOR BUSINESS** (full-time first-cycle programme with practical programme)
4. **LAW** (full-time and part-time, long-cycle studies)

First-cycle and long-cycle programmes

The minimum score being the basis for admission to the first-cycle study, obtained using the table below, is 30 points, and long-cycle study is 40 points.

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	Polish	written	basic level	0.30
			advanced level	0.40
2	foreign language	written	basic level	0.15
			advanced level	0.20
3	elective subject*	written	basic level	0.30
			advanced level	0.40

A candidate chooses a grade from one level only

*Elective subject: History, Knowledge about Society, Mathematics, Geography, Chemistry, Biology or Physics.

CANDIDATES WITH "OLD" BACCALAUREATE

No.	Subject	Grade	Weight
1	Polish	written part	0.40
2	foreign language	written part	0.20
		end-of-the-year grade*	0.10
3	elective subject**	written part	0.40
		end-of-the-year grade*	0.10

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Elective subject: History, Knowledge about Society, Mathematics, Geography, Chemistry,

Biology or Physics.

Second-cycle programmes

1.2 ADMINISTRATION (full-time and part-time second cycle programme)

2.2. INTERNAL SECURITY (full-time and part-time second-cycle programme)

Admission requirements: competitive admission based on diploma grades

The programme is open to graduates of the following first-cycle studies: Administration, Economics, Management, Internal Security, European Studies, Political Science and graduates of Law, Economics, Management, European Studies, Political Science, Internal security with a master's degree in these fields.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

X. FACULTY OF NATURAL SCIENCES AND TECHNOLOGY

Study programmes:

1. **Landscape architecture**
2. **Biology**
3. **Biotechnology (BEng programme)**
4. **Medical Biotechnology**
5. **Environmental engineering**
6. **Environmental protection**
7. **Agriculture**

1.1. LANDSCAPE ARCHITECTURE (first-cycle, full-time)

First-cycle (engineering 3.5-year) programme

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

Admission requirements: selective/competitive admission based on certificate grades/scores and works of art

CANDIDATES WITH "NEW" BACCALAUREATE

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	elective subject*	written	basic level	0.20
			advanced level	0.30
2	art works**	competition of 3 independently made works of art		0.70

A candidate chooses a grade from one level only

CANDIDATES WITH "OLD" BACCALAUREATE

No.	Subject	Grade	Weight
		written part	0.30

1	elective subject*	end-of-year grade***	0.10
2	art works**	competition of 3 independently made works of art	0.70

*Elective subject: Biology, Chemistry, Geography, Mathematics, Physics, and a foreign language.

** The assessment of artistic aptitude will be based on 3 independently created works of art with a minimum size of 50x70 cm (nature, landscape, park and garden interiors): drawings (pencil or crayon) and paintings (watercolour) submitted in a folder.

The works must be submitted in electronic form (photo, scan) - a file in JPG or PNG format, size min. 2000 pxs, max. 3000 pxs, (longer side dimension).

Additionally, a declaration (also in electronic form) on the independent creation of the submitted works needs to be attached.

NOTE: The works together with the completed declaration in electronic form must be uploaded to the Online Registration of Candidates (IRK) system before the registration closes.

***The end-of-the-year grade is converted into points according to the table in section 11 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written examination in that subject.

2.1 BIOLOGY (full-time programme)

First-cycle programmes

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	Elective subject*	written	basic level	0.45
			advanced level	0.60
2	elective subject**	written	basic level	0.30
			advanced level	0.40

A candidate chooses a grade from one level only.

*Elective subject: biology, chemistry, geography or physics. The subject which gives the highest number of points is taken into account.

**Elective subject: biology, geography, foreign language, mathematics, computer science, chemistry or physics. The subject which gives the highest number of points and which has not been indicated above is taken into account.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	elective subject*	written part	0.60
		end-of-year grade***	0.50
2	elective subject**	written part	0.40
		end-of-year grade***	0.30

*Elective subject: biology, chemistry, geography or physics. The subject which gives the highest number of points is taken into account.

**Elective subject: biology, geography, foreign language, mathematics, computer science, chemistry or physics. The subject which gives the highest number of points and which has not been indicated above is taken into account.

***The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written examination in chemistry, biology, physics, or elective subject.

2.2 BIOLOGY (full-time, first- and second-cycle programmes)

Second-cycle programmes

Admission requirements: competitive admission based on certificate grades/scores

The programme is open to graduates of the following first-cycle studies: Biology, Biotechnology, Environmental Protection, Landscape Architecture, Agriculture, Forest Management, Geology, Forestry.

If a candidate has not completed the above mentioned fields of study, the Admissions Committee conducts an interview in the field of biological sciences (this applies especially to candidates from abroad who may have completed other fields of study)

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

Candidates for Palaeobiology are required to have documented B2 level English language skills or a positive result of an English exam.

3. BIOTECHNOLOGY (full-time first-cycle (3.5-year engineering) and second-cycle (1.5-year) studies)

4. MEDICAL BIOTECHNOLOGY (full-time and part-time studies, first-cycle and second-cycle studies)

First-cycle programmes

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	elective subject (A)*	written	basic level	0.40
			advanced level	0.60
2	elective subject (B)**	written	basic level	0.30
			advanced level	0.40

A candidate chooses a grade from one level only

(A)* One subject selected from: biology, chemistry, computer science, mathematics and physics.

(B)** One subject selected from: biology, chemistry, computer science, mathematics, physics and a foreign language.

Subjects which give the highest number of points and can be elected only once are taken into account.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	elective subject (A)**	written part	0.50
		end-of-the-year grade*	0.20
2	elective subject (B)**	written part	0.50
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Two subjects selected from: biology, chemistry, computer science, mathematics, and physics. Subjects which give the highest number of points and can be selected only once are taken into account.

Second-cycle programmes

3. BIOTECHNOLOGY (1.5-year programme)

Admission requirements: competitive admission based on diploma grades

The programme is open to graduates of the following first-cycle programmes: Biotechnology (3.5-year engineering programme), or related engineering programmes

4. MEDICAL BIOTECHNOLOGY (2-year programme)

Admission requirements: competitive admission based on diploma grades

The programme is open to graduates of the following first-cycle programmes:

Biotechnology, Medical Biotechnology, Biology, Chemistry, or Environmental Protection.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

5. ENVIRONMENTAL ENGINEERING (full-time second-cycle programme)

First-cycle (engineering 3.5-year) programme

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	elective subject (A)*	written	basic level	0.525
			advanced level	0.70
2	elective subject (B)**	written	basic level	0.225
			advanced level	0.30

A candidate chooses a grade from one level only

(A)* One subject elected from: biology, chemistry, mathematics, and physics.

(B)**One subject elected from: biology, chemistry, computer science, mathematics, physics and a foreign language.

Subjects which give the highest number of points and can be elected only once are taken into account.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	elective subject (A)*	written part	0.70
		end-of-the-year grade*	0.20
2	elective subject (B)**	written part	0.30
		end-of-the-year grade*	0.15

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

(A)* One subject elected from: biology, chemistry, mathematics, and physics.

(B)**One subject elected from: biology, chemistry, computer science, mathematics, physics and a foreign language.

Subjects which give the highest number of points and can be elected only once are taken into account.

Second-cycle (1.5-year programme for graduates of engineering studies)

Qualification requirement: competitive admission based on diploma grades

Programme is open to graduates of the first cycle studies in environmental engineering or other engineering studies. Requirements for admission to the second cycle programme: an engineering diploma or a BA diploma from related fields with the necessity of completing the curriculum differences.

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

6. ENVIRONMENTAL PROTECTION (full-time first-cycle, engineering, 3.5-year programme)

7. AGRICULTURE (full-time first-cycle, engineering, 3.5-year programme)

First-cycle (engineering, 3.5-year programme)

The minimum score being the basis for admission to the full-time study, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% Point	
1	elective subject (A)*	written	basic level	0.40
			advanced level	0.60
2	elective subject (B)*	written	basic level	0.30
			advanced level	0.40

A candidate chooses a grade from one level only

(A)* One subject selected from: biology, chemistry, geography, mathematics, and physics.

(B)* One subject selected from: biology, chemistry, geography, mathematics, physics, and a foreign language.

Each subject can be selected only once.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	elective subject (A)**	written part	0.70
		end-of-the-year grade*	0.20
2	elective subject (B)**	written part	0.30
		end-of-the-year grade*	0.10

The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

(A)* One subject selected from: biology, chemistry, geography, mathematics, and physics.

(B)* One subject selected from: biology, chemistry, geography, mathematics, physics, and a foreign language.

Each subject can be selected only once.

6. ENVIRONMENTAL PROTECTION (part-time second-cycle programme)

Second-cycle programmes

Admission requirements: competitive admission based on diploma grades
 The programme is open to graduates of the following first-cycle studies: Environmental Protection, Chemistry, Pharmacy, Environmental Engineering, Horticulture, Agriculture, Chemical Technology, Biology, Biotechnology, Renewable Energy Sources

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1

XI. FACULTY OF ART

Study programmes:

1. Art Education in Visual Arts (full-time second cycle programme)

1.1. ART EDUCATION IN VISUAL ARTS

First-cycle programmes

The minimum score being the basis for admission to the studies, obtained using the table below, is 50 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements:

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	review of digital documentation of works* or practical exam** (the choice of the form of qualification will be made by the Admission Committee at the beginning of the registration of the candidates)			1

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements:

No.	Qualification unit	Weight
1	review of digital documentation of works* or practical exam** (the choice of the form of qualification will be made by the Admission Committee at the beginning of the registration of the candidates)	1

* The review of the digital documentation of the works is intended to check the aesthetic sensitivity and practical artistic skills:

The digital documentation of the works should include (total min. 15 pieces, max. 30 pieces):

- drawings or paintings (minimum 5 pieces, maximum 15 pieces)
- pieces from other disciplines such as: graphics, digital graphics, photography, graphic design, sculpture, animation, video and others. (no minimum, maximum 15 items)
- short bio note including contact information, information about education up to date, short resume describing artistic interests. The note may (not necessarily) also contain links to the author's on-line galleries or websites www..

Digital documentation of works - technical information about files.

- bio note in PDF format
- graphic files in JPG or PNG format in min 2000 pxs, max. 3000 pxs (longer side)
- MPEG4 (H.264) HD 1280x720 or Full HD 1920x1080 video files with a total size of not more than 200MB

** **Practical exam** in drawing and painting

Exam is a test of aesthetic sensitivity and practical artistic skills: Drawing is a 5-hour study of the human figure, painting is a 5-hour study of still life. Materials to be brought along to the examination: drawing - Bristol board 100 x 70 cm, pencils of various hardness, pins; painting - primed canvas 100 x 70 cm, paints (gouache, tempera or acrylic), brushes, water containers.

1.2. ART EDUCATION IN VISUAL ARTS

Second-cycle programmes

Admission requirements: review of digital work documentation

No.	Qualification unit	Weight
1	review of digital documentation of works*	1

* The review of the digital documentation of the works is intended to check the aesthetic sensitivity and practical artistic skills:

The digital documentation of the works should include (total min.15 pieces, max. 30 pieces):

- drawings or paintings (minimum 5 pieces, maximum 15 pieces)
- pieces from other disciplines such as: graphics, digital graphics, photography, graphic design, sculpture, animation, video and others. (no minimum, maximum 15 items)
- short bio note including contact information, information about education up to date, short resume describing artistic interests. The note may (not necessarily) also contain links to the author's on-line galleries or websites www..

Digital documentation of works - technical information about files.

- bio note in PDF format
- graphic file in JPG or PNG format in min 2000 pxs, max. 3000 pxs, (longer side dimension)
- MPEG4 (H.264) HD 1280x720 or Full HD 1920x1080 video files with a total size of not more than 200MB

XII. FACULTY OF THEOLOGY

Study programmes:

1. **Christian Oriental Studies**
2. **Theology**
3. **Canonical Theology**
4. **Mediterranean Culture and Tourism**

1. CHRISTIAN ORIENTAL STUDIES

2. THEOLOGY (full-time long-cycle programme)

The minimum score being the basis for admission to the full-time programme, obtained using the table below, is 30 points.

CANDIDATES WITH "NEW" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Baccalaureate			Weight
	SUBJECT	PART	% POINTS	
1	Polish	written	basic level	0.375
			advanced level	0.50
2	elective subject*	written	basic level	0.375
			advanced level	0.50

A candidate chooses a grade from one level only

*Any subject taken at the baccalaureate exam, except for Polish.

CANDIDATES WITH "OLD" BACCALAUREATE

Admission requirements: competitive admission based on certificate grades/scores

No.	Subject	Grade	Weight
1	Polish	written part	0.50
2	elective subject**	written part	0.50
		end-of-the-year grade*	0.20

*The end-of-the-year grade is converted into points according to the table in Appendix 4 of the Senate's Resolution and will be taken into account only if a candidate did not take the Baccalaureate written exam in that subject.

**Any subject taken at the baccalaureate exam, except for Polish

3. CANONICAL THEOLOGY (full-time second-cycle programme)

Second-cycle programmes

Admission requirements: competitive admission based on certificate grades/scores

The programme is open to graduates of the following first-cycle studies: Theology (long-cycle)

Unit of qualification	Weight
Grade in the diploma of completion of first-cycle studies	1

4. MEDITERRANEAN CULTURE AND TOURISM (full-time second-cycle programme)

Second-cycle programmes

Admission requirements: competitive admission based on certificate grades/scores

This programme is open to first-cycle graduates of: Mediterranean Culture, Cultural Studies, Tourism and Recreation, Slavic Philology, Russian Philology, History of Art, European Studies, International Relations, Pedagogy, Sociology, Philosophy, Political Science

Qualification unit	Weight
Grade in the diploma of completion of first-cycle studies	1
