

Europa Master (Political Science)

Programme type: graduate
(second-cycle)

Study mode: full-time

Number of semesters: 4 (2 years)

Tuition fee: free

ABOUT THE PROGRAMME

EUROPA MASTER, called also "Weimar Studies", is the unique trinational Master program in the area of European Studies that offers an opportunity of being awarded three Master diplomas of three partner universities:

- Opole University (Poland),
- Johannes Gutenberg University of Mainz (Germany)
- University of Burgundy (France).

EUROPA MASTER program lasts 4 semesters.

- During the first semester in Opole the program of study focuses on the cultural and social dimension of European integration as well as Central and Eastern European perspective on European integration. The classes are taught in English.
- Second semester in Mainz is dedicated to European Politics and political science. Classes are taught in German and in English.
- The focus of studies at Dijon during the third semester is European law and European institutions. Courses are taught in French.

QUALIFICATION CRITERIA FOR FOREIGN CANDIDATES

The EUROPA MASTER invites applicants with a Bachelor degree in a social science, including:

- political science, international relations, economy, sociology, law, history, journalism and social communication, philosophy and cultural studies
- as well as the fields of study, where the candidates were able to collect at least 65 ECTS in social science.

The deadline for applications for the academic year 2023/2024 is 15 May 2023.

1. While applying for the program during the last semester of Bachelor level the applicants are required to include Transcript of Records covering the whole period of study and proving having collected **135 ECTS** at the time of applying for the program.
2. Applicants are also required to **prove B2 level of English and B1 level of French**.
3. The candidates that successfully undergo the **pre-selection process** will be invited for the next stage in the form of a short online conversation.
4. Next, those accepted both at the level of the University of Opole and partner universities will be invited to the **final application procedure**.
