High ratings in the evaluation of taught scientific disciplines, an opportunity to study in an international environment, international exchanges and a student-friendly city make the University of Opole worth studying.

The University of Opole comprises twelve faculties, nineteen institutes and many closely co-operating units. We form a dynamic, modern and versatile organism.

Step 2.

On this page you should click 'Language exam for foreigners'

Step 2,5.

When you click on 'Offer' you might not see the options presented on the previous slide and instead see available study programmes. If that happens, you should see a colored box near the top that includes a small '**switch registrations**' option. Click that to see the page from the previous slide.
