

**Publishing options in a Hybrid journal:
Poland institute associated authors**

**Program A: publikacje finansowane z licencji krajowej
aktualizacja 25.10.2021**

Key information

1. How do we determine eligibility of the article for the Poland agreement?

- The submission date of the article should be on or after 1st January 2019
 - 2019 submissions receive a discount of 30% and 2020 submission receive for 20% discount on the APC
 - 2021 submissions receive full APC coverage*
- The corresponding author must be from a participating Polish institute
- The article must be from a participating journal

*UWAGA: po wykorzystaniu puli programu A 2021 oferowany jest 10% discount

Key information

2. Why do we use submission date as the eligibility criteria?

- The submission date is the only stable point in the publishing process. Acceptance and publication dates vary based on the journal processes
- The author controls the submission date. This gives the author not only control, but also transparency and predictability, regardless of how long the review and publication process takes

Finalize Publishing your Article

Corresponding author receives an email post acceptance with a link a unique link to complete the author journey and choose publishing options

Welcome Dr. Chahin,

To help us finalize the publication of your article please complete the publishing form(s) below.

Note: you will receive a confirmation e-mail after completing each form.

When placing orders via these forms, you may be asked to provide the information listed below.

- **Purchase Order Number**
If a Purchase Order Number is required for payment by your institution and you already have one, please provide it via the publishing form(s). Note that you may still complete the form(s) now, even if you do not have the Purchase Order number available yet.
- **Tax Exemption Number and Tax Exemption Certificate** if applicable to your institution.

For Bank and company address details, see the [Information you may need to supply to complete the options](#).

Rights and Access

[Complete the Rights and Access information form](#)

Elsevier supports responsible sharing. To find out how you can share your article, please visit our [Sharing Policy page](#).

For information on author rights visit Elsevier's [Author Rights](#) pages.

For information on publishing open access with Elsevier visit elsevier.com/openaccess.

Elsevier B.V.

Your Status

- I am one author signing on behalf of all co-authors of the manuscript

License of Publishing Rights

I hereby grant to Elsevier B.V. an irrevocable non-exclusive license to publish, distribute and otherwise use all or any part of the manuscript identified above and any tables, illustrations or other material submitted for publication as part of the manuscript (the "Article") in all forms and media (whether now known or later developed) in all languages, throughout the world, for the full term of copyright, and the right to license others to do the same, effective when the Article is accepted for publication.

I acknowledge the importance of the integrity, authenticity and permanence of the scholarly record and agree that the version of the Article that appears or will appear in the journal and embodies all value-adding publisher activities (including peer review co-ordination, copy-editing, formatting, (if relevant) pagination, and online enrichment) shall be the definitive final record of published research ("the Published Journal Article").

I further acknowledge and agree that nothing in this Agreement shall be deemed to permit redundant/duplicate publication of the Article in violation of publishing ethics principles, as further described below.

Supplemental Materials

"Supplemental Materials" shall mean materials published as a supplemental part of the Article, including but not limited to graphical, illustrative, video and audio material.

With respect to any Supplemental Materials that I submit, Elsevier B.V. shall have a perpetual worldwide non-exclusive right and license to publish, extract, reformat, adapt, build upon, index, redistribute, link to and otherwise use all or any part of the Supplemental Materials, in all forms and media (whether now known or later developed) and permit others to do so. The publisher shall apply the same end user license to the Supplemental Materials as to the Article where it publishes the Supplemental Materials with the Article in the journal on its online platforms on an Open Access basis.

Research Data

License agreement page

Author agrees with the terms of license agreement

I affirm the Author Representations noted below, and confirm that I have reviewed and complied with the relevant Instructions to Authors, Ethics in Publishing policy, Declarations of Interest disclosure and information for authors from countries affected by sanctions (Iran, Cuba, or Syria). Please note that some journals may require that all co-authors sign and submit Declarations of Interest disclosure forms. I am also aware of the publisher's policies with respect to retractions and withdrawal (<https://www.elsevier.com/about/our-business/policies/article-withdrawal>).

For further information see the publishing ethics page at <https://www.elsevier.com/about/our-business/policies/publishing-ethics> and the journal home page. For further information on sanctions, see <https://www.elsevier.com/about/our-business/policies/trade-sanctions>

Author representations

- The Article I have submitted to the journal for review is original, has been written by the stated authors and has not been previously published.
- The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- The Article and the Supplemental Materials do not infringe any copyright, violate any other intellectual property, privacy or other rights of any person or entity, or contain any libellous or other unlawful matter.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article or the Supplemental Materials.
- Except as expressly set out in this License Agreement, the Article is not subject to any prior rights or licenses.
- If I and/or any of my co-authors reside in Iran, Cuba, or Syria, the Article has been prepared in a personal, academic or research capacity and not as an official representative or otherwise on behalf of the relevant government or institution.
- If I am using any personal details or images of patients, research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information. See <https://www.elsevier.com/about/our-business/policies/patient-consent> for further information.
- Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- If the Article or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this License Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

Governing Law and Jurisdiction

This License Agreement will be governed by and construed in accordance with the laws of the country or state of Elsevier B.V. ("the Governing State"), without regard to conflict of law principles, and the parties irrevocably consent to the exclusive jurisdiction of the courts of the Governing State.

For information on the publisher's copyright and access policies, please see <http://www.elsevier.com/copyright>.

I have read and agree to the terms of the License Agreement.

- This is the summary page explaining the choices the author made in the publishing journey
- Corresponding author and coauthors receive a copy of summary via email
- Article becomes OA on ScienceDirect within 24 hours
- Librarian receives a notification to validate the APC request within 48 hours who then has 3 weeks to validate the request
